Answer

MINISTER OF STATE FOR HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (DR. VALLABHBHAI KATHIRIA)

(a) Yes, Sir.

(b) to (e) BHEL had set up a stall in `ELECRAMA` in a space of 87sq. mtr., and exhibited its products and projects executed. The total expenditure incurred was approximately Rs.13 lakh including Rs.4.02 lakh as space rent. Since the machinery manufactured by BHEL is generally of very large size, smaller products were only exhibited while models of prototypes and large equipment were displayed.
